Port Hueneme Police Department Joins "Neighbors" by Ring <i>Neighbors app provides users with real-time, local crime and safety information and aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.</i>	
Port Hueneme, CA -- The Port Hueneme Police Department is joining the Neighbors app by Ring (available via iOS/Android here: https://shop.ring.com/pages/neighbors) to provide the Port Hueneme community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.	
Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.	
Chief Salinas said, "This is most definitely a community crime fighting tool we can use to help reduce crime in our neighborhoods. We want to get our residents involved and this easy to use platform will allow the police and our neighborhoods to get up-to-date information which is critical when trying to apprehend criminals."	
Jamie Siminoff, Chief Inventor and Founder of Ring, said, "Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. We're excited to have the Port Hueneme Police Department join Neighbors and applaud their leadership in utilizing this free and effective tool to engage residents with up-to-date local crime and safety information while maintaining neighbor privacy first and foremost."	
How It Works <ul style="list-style-type: none">Download the Neighbors app on iOS and Android here: https://shop.ring.com/pages/neighbors or by texting "PortHuenemeED" to 555886 from your smartphone.Opt-in to join your neighborhood.Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
